

**Intelligence Summary No. 4**  
**18:00 - 18:00hrs 18th - 19th March 1945**

During the period under review the enemy fired 80 light arty, 10 medium shells and 110 mortar bombs into the area. The medium shells arrived during daylight hours and were scattered widely from which it is inferred that he was attempting to register. 60/70 mortar bombs arrived in vicinity 1403 at approx 02:00hrs.

At 05:15hrs, DF 81 170065 and DF 82 were fired by 111 Fd Regt and 17 Med respectively to cover return of fighting patrol of III Btn 473 Infantry Regt.

211 Bty 111 Fd Regt moved to new position. Command Post 194012. A Troop 191013. B Troop 190012.

Registration and shoots on enemy localities, MCs and mortars were carried out by the group using ground and air observation.
